

# Optimize your Ascom DECT and VoWiFi handsets with approved accessories

*Enhance Ascom DECT and VoWiFi handsets with certified cases, headsets, batteries, and chargers.*

## Carry with confidence

Use clips, cases and security strings for extra comfort and protection. A personal alarm pull cord is also available for the Ascom d83 handsets.

## Stay ahead with approved headsets

Choose the approved boom headset. Ascom d63, d83 and i63 phones can also be used with Bluetooth-enabled headsets. For noisy environments we offer Peltor headsets and adapters.

## Always charged, always ready

Battery pack chargers, wall-mounted rack chargers, desktop chargers... choose the right accessories to keep your handsets on the go.

### About Ascom

Our vision is a world where the right information moves people forward. Our mission is to put the right information in the right hands at the right time so that people can make the best possible decisions.

We are a global provider of communication and collaboration solutions for the acute care, long-term care and enterprise sectors. Our solutions are based on intelligent integrations with software and hardware that are open source and compatible with third party solutions. Every single second, our systems generate large amounts of data, which we then turn into useful and actionable information. This helps us to bring data to life for people in the toughest operational environments, ensuring smooth, complete, and efficient workflows.

Ascom is headquartered in Baar (Switzerland), has operating businesses in 19 countries and employs around 1,400 people worldwide. Ascom registered shares (ASCN) are listed on the SIX Swiss Exchange in Zurich.
